# INTRODUCING THE NEW HARMONY

MONESSEN

*In perfect tune with your style.*

# Lookin' Good

At Monessen, we know that “style” isn’t just about great looks. It’s a statement about the way you live your life. That’s why we’re introducing the new Harmony direct vent gas insert. With five different framing choices and a variety of interior options, we’ve got the style part covered. Plus, an insert increases heating efficiency, which helps save energy and lower fuel costs. If you want to upgrade your masonry fireplace with a punch of style or simply live greener, look no further than the new Harmony by Monessen.

*In perfect tune with your style.*

## SMART THINKING

Our Exclusive Total Signature Command™ System provides intuitive technology that makes it super convenient to enjoy the fire. The included touch screen remote allows you to turn the fire on and off, or adjust the 3-step flame height right from the comfort of your couch. The exclusive Smart Mode® thermostat automatically maintains the desired temperature to help increase efficiency. And, with automatic battery back-up, you can be assured of fireplace operation even if the power goes out.

## LIVING GREEN

Boasting a steady state efficiency of 88%, this insert really delivers when it comes to efficient performance. With up to 31,000 BTUs of heat-warming energy, you'll increase warmth and energy while using less fuel and saving money on heating costs.

# LET'S TALK STYLE...

The Harmony offers great style options, inside and out. Find the combination that best speaks to your style and create the look that's right for you.

## DISCOVER THE CONVENIENCE OF EXCLUSIVE TOTAL SIGNATURE COMMAND™ TECHNOLOGY

A technologically advanced and energy efficient fireplace control system!

With Total Signature Command™, an A/C adaptor is included; however, unlike competing control systems that require A/C to function, this system operates even when no power is available, making it more convenient than ever to enjoy the fire.

### Featuring:

- Smart Mode® thermostat for enhanced energy efficiency
- TSFSC Full Function Touch Screen remote control
- A/C accessory model offers an auxiliary connection for controlling a household light, waterfall feature and more through the touch screen remote.
- ON/OFF 3-step variable flame height adjustment
- Automatic, uninterrupted battery back-up during power outages
- Pilot selection option — choice of cold climate standing pilot or the energy efficient intermittent pilot
- Memory shut off remembers your favorite setting the next time the fireplace is turned on
- Convenient diagnostic code indication lights
- Built-in remote receiver for the option to easily add a remote control
